

Access Expeditions Ltd - Suppliers Policy - Regulations List - 12th May 2025

This is the list referred to in the Access Supplier Terms of Purchase which apply to all supplies of Goods to Access.

In performing its obligations under the Contract, the Supplier shall comply with the current **Access Supplier & Partner Code of Conduct** available on our website, and with all applicable laws, statutes, and regulations from time to time in force.

Additional Terms also apply to any Suppliers who supply product directly to our customers

In order to comply with ever-tightening government regulations, ACCESS need to ensure all products supplied are compliant with the latest versions of the various UK & EU regulations dealing with the matters set out below:

- All products - all regulations affecting use of chemicals and hazardous products including UK/EU Reach, PFAS regulations, POP, VPFP, etc.
- Gas or meths burners /cooking stoves: - CE & UKCA mark,
- All goods that may contact food - Food contact regulations
- Packaging - all current regulations

(This is of course in addition to all other general and specific requirements under applicable laws and regulations including those relating to Data Protection, Modern Slavery, Bribery, Tax-evasion, Health & Safety etc. and is in addition to requirements stipulated on Grillo Purchase Orders and Specifications and in the Code of Conduct.)

This list is published **12th May 2025**. Please check regularly for updates.

Note: **ACCESS wish to help our Suppliers with compliance** and can provide further information and support.

If you are not familiar with the full details of these regulations or if ACCESS can help in any way please contact us for further information through your usual contact. We are very happy to discuss this with you and have a designated team to assist you with compliance.
